PROFESSIONAL SUMMARY

I am an ambitious and aspiring developer with a diverse background of experience; from military service to civilian management and from games facilitation in a casino to game development in college. Dedicated, quick thinking, and with a keen eye for detail, those who meet me are often surprised by my knowledge, personal history, and skill sets.

TECHNICAL SKILLS

Programming Languages: C++

Software & Tools: Visual Studio, Git, GitHub, Microsoft Office, Obsidian

Technical Concepts: Object-Oriented Programming, Classes & Objects, Functions, Loops, Input Validation, Debugging, Version Control, Pull Requests

TECHNICAL EXPERIENCE

Current Course Project

- Developed a C++ console application using object-oriented programming.
- Implemented multiple classes, functions, and user input validation.
- Used Git and GitHub for version control using commits, branches, and pull requests.
- Tested, debugged, and refined the application through iterative development.
- Created technical documentation and a project demonstration.

PROJECTS

Into the Ether

A space adventure game inspired by Star Trek and Space Odyssey that plays out as a text style game like Oregon Trail. Random generators built into the engine populate input for switch statements from vectors that allow the user to experience different journeys every time. Inventory functionality gives the player a chance to survive the journey through the use of items that can be acquired throughout the game. Save/load functions allow for a player to end their game and pick up where they left off later.

Technologies: C++, Visual Studio, Git, GitHub

EDUCATION

Full Sail University

Bachelor of Science in Game Development

Expected Graduation: March 2028

Relevant Coursework:

- Programming Fundamentals
- Object-Oriented Programming
- Version Control

Northwestern Michigan College

Associate of Science in Business Administration

Expected Graduation: May 2029

EXPERIENCE

U.S. Army: Infantry Mortarman (June 2007 – October 2013)

Turtle Creek Casino: Security, Table Games Dealer, Table Games Pit Supervisor (May 2014 – July 2025)
